**Your MVFCU VISA CheckCard**

The MVFCU VISA CheckCard is the perfect compliment to your MVFCU Share Draft Checking account. It's easier and more convenient than writing a check and doubles as an Alaska Option ATM card.

Your daily cash limit at any ATM or POS terminal is the available balance in your share draft checking account, up to \$500. Your daily limit for VISA purchases is the available balance in your share draft checking account, up to \$5,000.

If you have overdraft protection from an MVFCU Line of Credit on the same base account as your share draft checking account, then the daily limit is the available balance in your share draft checking account plus your Line of Credit, up to \$5,000!

Your VISA CheckCard offers you all the protection and benefits of the VISA governing rules, your own Personal Identification Number (PIN), plus an after hours toll-free number to call for lost or stolen cards.

There are no monthly or annual fees and your ATM transaction is surcharge free at local MVFCU owned automated teller machines. Other applicable fees may apply according to your account agreement.
